NEGOTIATED SERVICE AGREEMENT

Docket No. CP2009-40

**MOTION OF THE UNITED STATES POSTAL SERVICE
FOR TEMPORARY RELIEF**
(October 10, 2012)

In Order No. 1466, issued September 13, 2012, the Commission granted the Postal Service's request for a temporary extension of the contract in the instant docket, until October 13, 2012. The Postal Service is today filing a replacement contract for this customer in Docket Nos. MC2013-1 and CP2013-1. However, the Postal Service was unable to file this contract with the Commission more than 15 days prior to the October 13, 2012, expiration date.

The Postal Service respectfully requests that the Commission grant an additional brief extension to allow the existing contract to remain in effect until such time as the Commission is able to complete its review of the replacement contract. Thus, the proposed extension would only last for a finite and relatively short period of time. In conclusion, for the reasons discussed above, and in consideration of the customers' business continuity, the Postal Service hereby moves for temporary relief to allow the existing contract to remain on the competitive products list.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
